

Product Reference Guide

Kyocera's TASKalfa line

Level up your productivity, boost work efficiency, and benefit from enhanced security.

 Print speeds
up to 105 ppm

 Fast scanning
up to 300 ipm

 Long-life,
durable parts

 Up to 9GB
memory

 User-friendly
design

 Up to 2400 x 2400
dpi resolution

 Up-to-date
security
enhancements

 Energy-saving
sleep mode

 A3 and A4 duplex
printing

Customize any TASKalfa
device with the Kyocera
Product Configurator.

These devices are compatible with Kyocera and third-party cloud storage solutions, as well as mobile print software and remote maintenance solutions to support digitization and increase mobility.

Powerfully efficient cut sheet inkjet printing

Kyocera's inkjet commercial printers create new opportunities for business growth by enhancing efficiency and versatility, while reducing running costs.

146 images per minute

Remarkable uptime (↑95%)

Energy-efficient technology

Versatile finishing options

Sustainable water-based inks

Durable, with few moving parts

Variable data printing for personalization

Process automation for minimal operator intervention

Ink Calculator for monitoring and estimating costs

The TASKalfa Pro 15000c is a cost-effective digital solution for transactional, trans-promotional and direct mail applications. It is compatible with accessories such as a Duplo or Plockmatic booklet maker.

This device can be equipped with the Fiery System to optimize color and boost productivity with advanced workflow options.

TASKalfa Commercial Printers

Model	TASKalfa Pro 15000c
Functions	Standard Network Print, Scan & Copy
Print Speed (up to)	146
Document Processor	Std. 270-sheet DSDP
Resolution	600 dpi
Maximum Paper Size	13" x 19.2" (MPT) 13" x 27.5" (MPT oversized media tray)
Memory (Std./Max)	4.5GB
HDD	32GB SSD/1TB HDD
Duplex	Standard
Paper Capacity (Std./Max)	4150/14310

Kyocera's ECOSYS line

Economic devices with sustainable benefits that integrate seamlessly into existing print systems for optimal efficiency.

Long-life sustainable parts

Energy-efficient technology

High uptime, low maintenance

Up to 4GB memory

Security enhancements

Up to 1200 x 1200 dpi resolution

Up to 62 ppm

A3 and A4 duplex printing

Customize any ECOSYS device with the Kyocera Product Configurator.

These devices are compatible with Kyocera and third-party cloud storage solutions, as well as mobile print software and remote maintenance solutions to support digitization and enhance efficiency.

Kyocera devices feature a unique Tiered Color System, a solution that categorizes color coverage into three levels with scaled costs based on usage. Unlike traditional printing, which often has a high flat rate for any color use, Kyocera's system charges based only on the actual color coverage per page. This software allows users to control and define color usage levels, enabling significant cost savings over the device's lifecycle, without compromising on color quality. Our Tiered Color System works seamlessly with all Kyocera color MFPs and printers, offering our customers more for less.

SIMPLE COLOR
Low Coverage

A color company logo on black and white correspondence.

BUSINESS COLOR
Medium Coverage

Printing graphs and charts becomes much more efficient.

CREATIVE COLOR
High Coverage

Color-rich collateral such as brochures and presentations.
